INTERVIEW SUMMARY

Dear Sir:

Examiner Dickey and the undersigned discussed the finality status of the presently outstanding Office Action dated June 7, 2006. Applicant thanks the Examiner for his time and consideration in resolving this issue.

Because of a typographical error in the first Office Action dated December 15, 2005, the June 7, 2006, Office Action introduced a new ground of rejection of Claims 1-5. Accordingly, Examiner Dickey has agreed to withdraw the finality of the rejection. Examiner Dickey has instructed Applicant to not respond to the currently outstanding Office Action dated June 7, 2006, as a new non-final Office Action will be mailed.

Should the Examiner disagree with the substance of this summary, Applicant respectfully requests that the Examiner clarify the record and to call the undersigned at (408) 982-8202 (or Rachel Leiterman at (408) 382-0480) so that appropriate measures may be taken in a timely manner, including responding to the currently outstanding Office Action.
